Networking Seminars Series

A.Y. 2024-2025 1st Term

October, 31st 2024, 1:00-2:00 pm (CET)

Room C001, Via Pasubio 7/B, Dalmine (BG)

Presenter:
Beate Klingenberg

*Professor of Sustainability and Supply Chain Management
@ FOM University of Applied Sciences for Economics and Management*

TITLE – “The Sustainability Mindset Indicator – A framework and assessment tool for teaching and research”

DESCRIPTION OF THE SEMINAR

In this seminar, the Sustainability Mindset is introduced, a research-based personal development framework that supports our thinking and being towards sustainability leadership and change management.

It will be introduced together with its assessment tool, the [Sustainability Mindset Indicator](#) (SMI), with examples of using it in teaching and research. Participants will have the opportunity to experience a sample of their own Sustainability Mindset and to interactively explore how to develop it.

If interested, participants can also get a free link to the full Sustainability Mindset Indicator, to be done after the seminar, and receive their personal report.
